## Employment

Employment law is now a minefield, so getting the right advice at the outset is essential. We advise on all issues of employment law, from unfair dismissal and redundancy, age/sexual/disability discrimination, contracts of employment, to disciplinary and grievance procedures. With over 125,000 tribunal claims a year, it is never too soon to get advice from the experts.

## Farm & Country

We have been advising the farming community for well over 200 years. As the sector becomes ever more competitive and regulated, our specialist legal advice is required more than ever-from issues such as diversification through to tax efficiency and development opportunities. We are also acknowledged as leaders in the sale and purchase of large rural properties as families seek a change of lifestyle.

## Family

Family breakdown is never easy. This is why our family law team provide empathy as well as proactive and practical legal advice. We can help and assist on divorce, separation, family finances and maintenance through to unmarried and same sex couples. We also advise on all matters regarding children and increasingly advise grandparents on contact issues with their grandchildren

## Residential Property

As well as buying and selling flats and houses, we handle re-mortgages, equity release and the letting of private property. We are successful because we are proactive, friendly and helpful. We also use the best technology available so that we can keep our prices competitive without ever compromising on service. Call us or email us now for an instant quote.

## Personal Injury

Our Personal Injury claims team is led by William Weller, now rightfully regarded as one of the best and most experienced claims lawyers in the region. We operate a No Win No Fee scheme (where nothing goes to a middleman) and we have recovered well in excess of £10m for our clients, handling road traffic accident claims, work place accidents, trips/slips claims and defective equipment claims.

## Notaries Public

We are one of the very few law firms able to provide the services of a Notary Public. With more than 1m Britons now owning a property abroad and trade within the European Union commonplace, the services of our Notaries Public are increasingly in demand.

## Business

We are at the forefront of providing specialist legal advice to a dynamic and growing local business sector. From business start-ups to buying and selling businesses, drafting agreements, contracts, terms and conditions as well as partnership and shareholder agreements, our highly experienced business law team will provide clear, concise and proactive advice for your business.

## Wills Trusts & Probate

You have worked hard all your life. Our highly respected Wills Trusts and Probate team can help advise you on how to preserve your assets for future generations. We draft wills, advise on wealth protection by careful tax planning as well as dealing with estates, trusts and probate matters. In addition we now have a specialist team dedicated to Later Life Care Funding.

## Litigation and Dispute Resolution

Sometimes things go wrong. We advise clients on matters from a disputed will, a ruined holiday, a building dispute, debt collection to professional negligence and landlord and tenant disputes. We deal with disputes cost-effectively. If possible or appropriate we will try and deal with matters by way of mediation or arbitration. If it ultimately comes to court, then we will pursue your claim with tenacity.

## Commercial Property

We understand business which is why our commercial property team gets things done. Our highly experienced and skilled lawyers act for landlords, tenants and developers, advising on all aspects of commercial property including buying and selling freehold property and commercial leases. We are also specialists in dealing with licensed premises.

## Free Legal Surgeries

For more than 25 years we have been providing free legal advice at our legal surgeries. We advise on matters from consumer rights, family breakdown, employment to injury claims. No appointment is ever necessary. Just turn up at the times set out below to see one of our trained and experienced lawyers. General Legal Advice Surgery every Thursday from 5pm to 6.30pm; Family Law Advice Surgery every Tuesday from 2pm to 5pm

## And Finally

It is important that you feel comfortable with us. You will want to know who it is that is dealing with your case and what your case actually involves. Without charge, we will therefore talk through with you what you want to do-before you formally instruct us. We will also be completely transparent on costs. If we are able, we will give you a quote for the work. If we are not able to give a quote, we will explain what funding may be available to you. If you are paying us on a private basis, we will at all times ensure that you are kept informed of costs being incurred on your behalf together with the methods of payment that may be available to you. It is all about trust and professional integrity.
